

VERTI-CORE II

00191

For a top quality aerator at an affordable price, look no further than the Redexim North America Verti-Core II.

With working speeds up to 3.5 mph, the Redexim North America Verti-Core saves time and money and is one of the fastest aerators on the market today.

Robust construction combined with simple adjustments make the Verti-Core reliable and easy to use. Fewer moving parts insures simple service and less maintenance.

A wide variety of tines are available.
