\$4000 and above	Mar. 20, 2009	6%	For payment by Apr 20, 2009	Std UPS
\$1,250 to \$3,999	Mar. 20, 2009	3%	For payment by April 30, 2009	Std UPS

Orders outside of the program will be billed at regular pricing & terms.

These large discounts and terms are based upon the customer account being current. We have lower processing costs for larger orders so separate orders can not be combined to reach minimum order amounts. Example: 2-\$2000 orders can not be combined for a \$4000 order to get the 10% discount. Each \$2000.00 order would get the lower discount.

*All finance charges / past due invoices **must** be paid in full at the time of order **and** the time of payment to qualify for the discount and/or extended terms. Customers exceeding their credit limit may be required to make a partial payment to qualify for a discount.

We thank you for your business and look forward to celebrating our 85th year in business by serving you in 2009!
